

OUR HUMANITY FIRST

Empathy is about standing in someone else's shoes, feeling with his or her heart, seeing with his or her eyes.

'South Africa belongs to all who live in it, united in our diversity'

Equality under the law, justice for all

World-class democracy, like our Constitution says
World-class human dignity, as in the Bill of Rights
World-class empathy, like we ask for ourselves
World-class tolerance, like we need from others

OUR HUMANITY FIRST

**Service, equality, justice for all...
I will serve you because:**

- **You are human**
- **I want to live in peace and harmony with all who share this space**
- **I want you to treat me with respect and dignity too**

**World-class democracy,
like our Constitution says**

**World-class human dignity,
as in the Bill of Rights**

**World-class empathy,
like we ask for ourselves**

**World-class tolerance,
like we need from others**
